

1 2 What can we do to make you feel more connected to the trail?

B K 25. Offer posters, books, brochures, audio tapes. Have an artist attempt to do a rendering of SF and the east Bay as it was in 1775.

B L 67. Members have felt inadequate at Expos due to a lack of literature.

B S 120. Give park managers a readers digest form of the trail for each site along the trail.

B 6. We must have more paper products that can be distributed explaining where the trail is and it's history.

B 8. We need trail guides for the actual hiking segments that are open.

B 56. Any materials for bulletin boards such as maps would be appreciated.

B 59. Have increased number of brochures available.

B 64. Have more flyers available.

B 76. Make bird lists available for birds that can be observed along the trail.

B 77. Make more information available about Mexico and the trail section there.

B 118. Help us be able to distribute more resources on the trail.

C 7. More trail segments on the ground.

D 24. Get Los Californianos involved fully.

E 10. More public outreach at schools, libraries, and other public speaking venues.

E 44. You need to create more educational packets that would be available at visitor centers for teachers to use. Should be something small and free.

E 73. I think working with various youth groups (Boy Scouts etc.) is a good idea.

G B 66. Become a reliable source for information and publications.

G L 43. Why doesn't the NPS offer a hike in coordination with the annual Anza pageant?

G L 62. Have NPS people speak at various historic sites along the trail when it is appropriate..

G L 84. Share construction techniques for things that have and have not worked - share the specifics for building access gates.

G L 107. Local need consistency along the trail - but each site needs to feature its own message as well.

G M 104. Tell the story of the NPS involvement in the trail - that is also a part of the whole picture as well.

G 41. We hire firms to make professional signs for us -if the NPS could lend expertise + layout for us - it would save a lot of money and we could still have a good produ

G 60. Give recommendations to parks and historic sites along the way of products for sell that would be appropriate.

G 63. Have Meredith (Kaplan) speak to each of the city councils along the trail and to the county boards of supervisors as well.

G 72. Promote various events throughout the entire length of the trail - everything from pageants to information talks.

G 78. You should have more information available about Anza's final burial place in Arizpe.

G 79. Talk about the natural as well as the historical.

G 83. Block OHV access - find ways to block motorcycles from the trail.

G 88. Help more people know more about the trail - public awareness and information. Include some museum exhibits.

G 91. Talk about the diversity of the people. Spanish is a misleading term - there were so many other cultures.

G 92. Make sure that all of the races that were on the expedition are presented fairly in art work that is done.

G 93. The best thing you have done is hiring an interp specialist so that we have someone to connect with - Meredith was just too busy.

G 94. Schedule regular times that David can come down to assist people with supporting people on the trail.

G 97. Raise the issue for Chicanos

G 98. At the various NPS conferences - like Discovery and Mosaic - you must educate other people in the NPS

G 103. Give out resources to help tell the story better - think DVDs, images, posters, etc.

G 106. Provide good artwork to locals.

G 110. Find sites where people can experience Spanish Colonial history.

G 115. You are the visible representation of the trail to all of the other volunteer groups and affiliates out there.

G 116. Create an image library that other partners along the trail can use.

G 117. Provide a clinic to help us with processing on the trail or a publication that shows how other trail segments are doing it. .

G 119. Attend the chief rangers conference for the CA State Parks and tell them about the trail.

G 123. I'm interested in the possibility of the establishment of a bench honoring the memory of Dr. Bolton along the trail in this area.

G 124. Talk about the Tort Reform Act and the benefits to land owners.

I 42. We need to have more bronze statues of Anza along the trail and in communities.

I 45. Install more interpretive plaques.

I 57. Have signs available on the highway near historic sites that identify them.

I		58. Have increased signage at existing VCs that identify them as part of the Anza Trail.
I		61. Make sure that all of the historic sites have an Anza Passport Stamp.
I		69. Increased signage.
I		82. Put in additional interpretive signs and information - even install kiosks .
I		90. Interpretive exhibits cover more than history of the trail - they should also include natural history and environment.
K		18. Book should include a paper version o f the diaries in Spanish and English, maps, interpretive materials that the visitor could use while exploring the trail.
K		11. Create a life list or passport for people who drive the trail day after day.
L	G	125. Since September is also Hispanic History Month, I would like to see Hispanic ranch life included to tie into to the Martinez Adobe.
L	M	105. Get more in touch with visitors and convention bureaus to develop cultural tourism to create visibility from local efforts.
L	V	38. Continue the expansion of information that you have done in the past - it has worked well so far. Highlight opportunities for participation.
L	V	112. Work with visitor bureaus along the trail to tell the story.
L		23. Emphasize on local legacy as well as the complete journey.
L		29. Events at significant locations along the trail such as at local community festivals or celebrations with re-enactments would be a good thing.
L		31. An event signifying the opening of the trail in my area - the SF mid peninsula - would be good.
L		32. Presently, all of America's financial resources are tied into the bombing campaign.
L		35. Being included in any trail activity is helpful in making me connected (I ran a section near Hemet and was honored to be a part of it)
L		55. AN event we have every September is Ranch Days (JOMU) depicting life in the 1880's fruit ranch.
L		87. Have events like San Jose get together, share notes, learn, and see other trail sites.
L		95. Work with the BLM in some of their visitor centers, like the new Santa Rosa visitor center - that is a perfect place for you.
L		102. Use the trail to connect sites - private, city, state, fed sites can identify themselves with the Anza Trail.
L		109. Encourage people along the trail to share their stories with others sites - think of themselves as a link in the chain.
L		127. I would be interested in seeing the connection of the trail through Palo Alto hills and the Arastra Property.
M		20. Publicity is#1. Get PBS to produce a one hour documentary.
M		21. Get Congress to approve a postage stamp.
M		22. Have local media do special programs on the trail involving local descendants.
M		49. Create a weekly column in a major newspaper with information about what is happening with Anza.
M		101. Give the trail greater visibility with local agencies and officials
N	W	13. Publish a web version of the newsletter in PDF format.
N	W	15. Publish all of the responses to this "comment form" as part of the newsletter along with the plans to address these comments.
N	X	37. Continue with the newsletter and add a map to it to show what is happening o the trail at any given time.
N		1. Need to keep in better touch. A newsletter on a more regular basis would be helpful. Keep track of whether or not we have brochures about the trail.
N		12. Keep up the work with the newsletter but have more people contribute to it.
N		14. Work with state, local parks, universities to make sure that they know about the significance of that trail and have them contribute articles to the newsletter,
N		33. Progress reports or other ideas about the trail.
N		34. The newsletter is great and informative.
O		2. Put the Anza Expedition in perspective with other expeditions of the period.
O		99. Work with other National Trails to find out what has worked for them.
O		114. Work with people on the Mission Trail and with other official California Trails.
P		11. Increase the amount of interpretation at Tumacacori about Anza.
Q		47. We need to find a means to have better communication between the counties - so that we can know what is happening and they can know what is happening with
S	E	126. Send an educational packet to help park managers know more about the trail, its history, what other segments are available.
S	K	17. Fund stories and information to be collected and assembled into a peer review book on the trail.
S		4. Make a guide for each historic site that states exactly what happened there - it would show all of the connections between the site, the trail and their history.
S		40. It would be helpful to have a body of knowledge available to use about the trail. This could be through books or a library that we could use.
S		53. Resource materials for other site interpreters would be great.
S		54. It would be useful to have copies of the expeditions descriptions of the east bay.
S		81. Create an information package about how to get easements and work with private landholders.
S		89. Get information out to sites that are connected with the trail.
S		121. Create site bulletins for each site along the trail.

S		122. Please send us more information about the trail.
T		3. This was a colonizing expedition - it was not for gold. That is what makes it interesting - stress this in your publications.
T		26. We hope that there would be tours to help us as we explore the Anza trail.
T		28. A slow history absorbing camping trip with history stops along the way to carry out the significance of the trail.
V	G	85. Reinvent and restructure the Amigos de Anza organization so that it is functional in California.
V	L	86. Provide coordination for volunteers all up and down the trail.
V	Q	48. Help is to be able to communicate with other people in the Anza community so that we can send performers to their programs and vice versa.
V		5. More volunteers are needed that are interested in protecting and creating more trail.
V		9. Help increase involvement from more of the trip descendants.
V		19. Keep up the work of keeping family members part of the process.
V		51. Having a resource option for speakers, special programs would be great.
V		52. A Chatqua type performance that could travel to reach more sites.
V		74. It is crucial that we keep the trail clean - that we organize groups or pay someone to keep it in a clean state.
V		113. There should be a certain amount of consistency from one VIP group to the next along the trail.
W	N	96. Well developed web site and Noticias an e mail newsletter.
W	W	16. Publish information on an Anza web site.
W		50. Have a chat room for Anza aficionados to communicate with each other - help us facilitate communication.
W		108. Tell groups along the trail how they can connect with each other. - use list/serve, websites - as a trail managers page to share issues.
X		27. Trek maps would be very helpful for self guided tours.
X		30. A map would be helpful.
X		65. More maps and paper products as handouts.
X		68. We need maps with staging areas, parking - basically, local area maps.
Z	V	100. Get money for the volunteer groups.
Z		39. Financial assistance to our site of course would be useful.
Z		46. Find more money to help out with the Anza pageant.
Z		70. Increased funding.
Z		71. Trails partnership attendance - we cannot continue to participate in partnerships when we have no funds.
Z		75. Money 0 we need more funds to do the things that need to be done.
Z		80. Give grants to local areas to give them a sense of ownership in the trail .

ict.
